**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing in support of broadband competition. I left AT&T several years ago due to predatory pricing and incredibly horrible customer service. Luckily, the area I live in offers internet and telephone services from smaller local competitors, freeing us from the inevitable monopoly and price hikes by major national corporations. Please consider the needs of your constituents - regular people -and not just corporate interests which are rarely aligned with those of the consumer. Also, don't you think we've had enough deregulation as it is?

Thank you,

Dorothy Wang
